# THE CONNECTION

ALL SAINTS: CASTLE CAMPS                      ST. MARY'S: SHUDY CAMPS  
ALL SAINTS: HORSEHEATH

A lady walking her dog stopped to admire a house. As she looked over the gate for a better view a man passed by & said, "You seem to be admiring the house."

"I am," she said.

"I'm glad you like it," said the man. "It's mine".

As he walked on, someone else came along. "You like the house?" he asked. "Yes, I do."

"It's mine", said the stranger, & off he went.

The lady was still puzzling how they both owned the house when a third man came out of the garden gate.

"I see you're interested in this house," he remarked, & added, "Nice, isn't it? It's mine."

Curiosity got the better of her. The lady (& her dog, who also wanted to know) hurried after the three men for an explanation.

"It's mine," said the first, "because I built it".

"It's mine," said the second, "because I bought it & now I'm the owner".

"It's mine," said the third, "I live in it".

The dog, who could sense these things, knew they were all truthful.

It's another way of understanding that God the Father made us, Jesus Christ bought us by dying for us, & the Holy Spirit lives in the hearts of those who trust Him. "God in three persons, blessed Trinity".

*All blessings, Graham †*

### ALL SAINTS' CHURCH, CASTLE CAMPS

has had its film debut, with a film crew filming the interior & exterior of the church for a small production. Get your party attire & passports ready for the Cannes Film Festival presentations - or should that be the Camps Film Festival!

We have planned with the school a **REMEMBRANCE SERVICE** ON Tuesday the 11th of November, to mark the 100<sup>th</sup> anniversary of World War One. This will involve some of the older children planting crosses marked with the names of all who fell. We will meet at the War Memorial at 11:00 o'clock. If you can attend, that would be good. We are also looking for someone to take some photos of the event. Any volunteers please contact Lindi Kent on 01799 584012.

*(This is in addition to the traditional Service on Remembrance Sunday).*

The never-ending ongoing **Restoration Work** is now completed for the nave & buttresses. Our thanks go to the "Cambridgeshire Historic Churches Trust" for the grant of £2000.00 that went towards the cost of this particular part of the restoration. We have other projects in mind, including some restoration work for the organ.

The website [www.3churches.eu](http://www.3churches.eu) is regularly updated with the latest Connection details & events. If anyone has photos of recent activities please forward to:
